Allowable Subject Matter

Claims 1-4 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of Lawless shows each claimed component of the applicants' invention in claims 1 and 2, however in the prior art the PZT element is not supported about a portion of the housing but within the housing. There is no suggestion to place it otherwise in the Lawless art or other cited art, as such obviousness is lacking.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Direct inquiry concerning this action to Examiner Dougherty at (703) 308-1628.
